SUBMITTED PURSUANT TO 37 C.F.R. § 1.97(c)

Transmitted herewith is a list on Form PTO-1449 of patents, publications, or other information submitted by the Applicant for consideration by the Patent Office pursuant to the duty of disclosure under 37 C.F.R. §1.56, together with legible copies of each of such documents to the extent clean copies are available.

Applicant respectfully submits that the enclosed references do not teach or suggest use of the claimed invention when considered singly or in combination with any other reference of record.

With respect to the Shortliffe paper, Applicant submits that the paper generally describes differences between traditional, paper-based electronic medical records and electronic medical records. Furthermore, the paper focuses only on data submission by physicians, not patients.
